

AUSC MiniRoos Player Pathways 2023

Overview

At AUSC, we are getting ready for next season. In 2023, we will again provide both a Community Pathway and a Performance Pathway for our MiniRoos players. In essence, it is a process for organising our U9-U13 players into teams which give them the best chance to have fun, be challenged and continue to grow their passion for football.

What's the difference between the two pathways?

	Community Pathway	Performance Pathway
Coach	Community Coach	Accredited Coach
Trials	Players do not need to trial	Players evaluated by the accredited coaching staff
MiniRoos Level	Joeys and Wallabies	Wallabies and Kangas
Training Commitment	Mondays: as a cohort Wednesdays: as a team	Mondays: as a cohort Tuesdays and Thursdays: as a team
Ashy Academy	Open to all U8-U12 players. Held on Tuesday nights. Ashy Academy has a discounted fee of \$100 per term for AUSC players.	
Cost	MiniRoos registration fee. Ashy Academy fee (optional).	MiniRoos registration fee. Additional levy which pays for an accredited coach, training, uniform and futsal registration. Cost TBC.
Matchday	U9-U12 boys: Sat or Sun All girls and U13 boys: Sun	Sat or Sun

Note that there are some changes from the 2022 match days.

What do I need to do?

Attend the AUSC Player Pathways information session with AUSC Technical Director Matys Borowicz at 5:30pm on Wednesday 17th August at Watson Park and again on Wednesday 25th at Warner Reserve. The club will also schedule an online info session which will be recorded. If your child is interested in the Performance Pathway, trials for 2023 squads will be held in the week beginning on Monday 12th September. Venue and times to be announced on Team App in the coming weeks.

2023 begins this October

Performance teams commence preseason training in October. The Ashy Academy will be held on Tuesdays at Camberwell High throughout Term 4 and is open to all players. Keep an eye out for more info on these programs.
